ENGLISH SPELLING FLASHCARDS PROGRAM

A playful 8-week starter course • Ages 5–6 • English only

HOW TO USE THIS PACK

Daily time	15 minutes is enough. Stop earlier if your child is tired.
Teach sounds first	Say the sound of a letter, not only its letter name. Keep sounds short: /m/, /s/, /t/.
Small batches	Introduce 3–5 new cards at a time and review old cards every day.
Say → Build → Spell	Say the word, stretch its sounds, build it with letter cards, then spell it from memory.
Keep it positive	Praise effort. If a word is difficult, model it once and try again later.

8-WEEK LEARNING PATH

Week	Focus	Goal
1	Letters A–F	Recognize uppercase/lowercase; learn the main sound.
2	Letters G–L	Say the sound and match each letter to a picture word.
3	Letters M–R	Mix the cards; identify letters out of order.
4	Letters S–Z	Finish the alphabet and review all letter sounds.
5	Short-vowel CVC words	Blend 3 sounds: c-a-t → cat; build and spell.
6	More CVC spelling	Practice missing letters and spelling from memory.
7	Digraphs	Learn sh, ch, th, and ph as letter teams.
8	Long-vowel patterns	Try a few a_e, ee, i_e, oa patterns and review.

DAILY ROUTINE & GAMES

3 min — Review — Show 3–5 familiar cards. Ask: “What letter? What sound?”

4 min — Listen & say — Say a sound or word. Child repeats and points to the matching card.

5 min — Build the word — Place letter cards in order to make the word.

3 min — Challenge — Hide the model. Child spells the word or fills the missing letter.

SIX EASY GAMES

1. Find the Sound	Say /s/. Child finds S s among 3 cards.
2. Build the Word	Give C, A, T cards. Child arranges them to make CAT.
3. Memory Match	Match a picture card to its word card.
4. Missing Letter	Show C _ T and offer A, O, U cards.
5. Sound Robot	Say a word slowly in sounds: /d/ /o/ /g/. Child blends “dog”.
6. Spell & Swap	Build SUN, then swap S for F to make FUN.
